I think the ^{and eggs} milk group does not
need change. But please have fresh
Fruits and vegetables, ~~and~~ whole grains
and juice for 1-3 years....

As for Pregnant Women, it's good
to have tofu, eggs 2 dozen....
Juice 3, fresh Fruits & vegetables
and whole grains.

I ~~see~~ agree the proposal to change WIC foods. But I want to change the cheese to milk, vegetable, or fruit for my family.

Also, the most about the proposed change is \$6.00 is to least. Could ~~the~~ you make it \$10.00 so we could buy more vegetable, fresh fruit or rice to eat healthy & fresh for my family.

Dear USDA

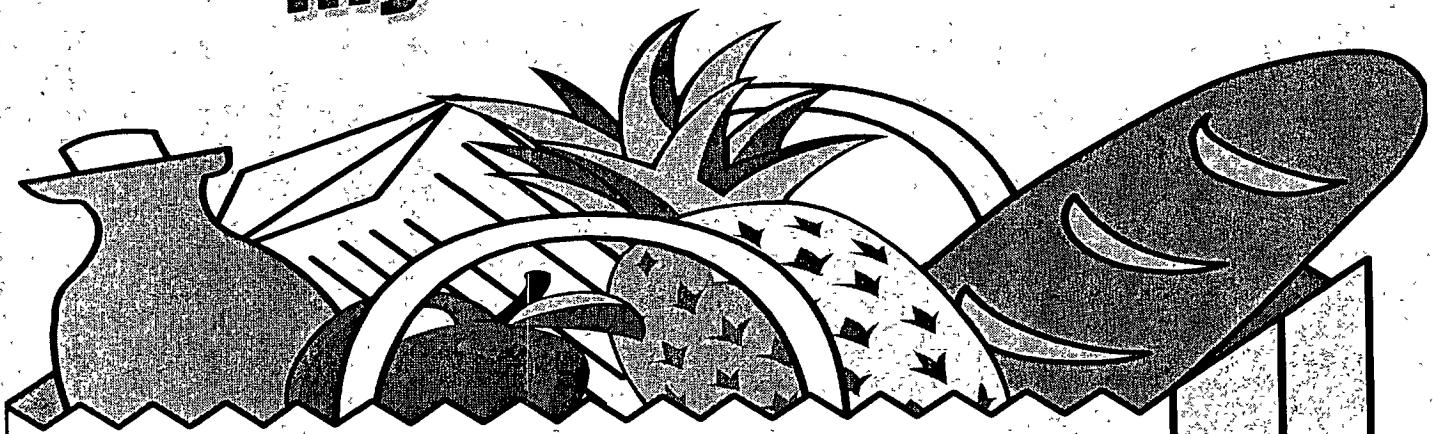

Can you please change some of the foods I receive with WIC. I would like to have fruits and vegetables, soy milk, bread, and dry fruits. I would like to have those items because they are more healthy for my family.

Dear USDA,

I am thankful that I receive

it is healthy to eat vegetables
